## Ozooma 150cc Maxx

Sleek, sophisticated and powerful best describes the Ozooma 150cc Maxx 4-stroke scooter. The twin-pot front disc and rear drum brake set up offers safe, confidence-inspiring stopping power, even two-up and the well-shaped seat is comfortably firm and perfect for the long haul. The 150cc Maxx wears big 13" wheels back and front making it supremely manoeuvrable in traffic and a competent handler while the streamlined bodywork and screen break the worst of the windblast.
