## 50cc

### ozoma 50cc metro

A stylish, versatile and easy-to-ride scooter that's perfect for inner city and suburban applications. The Metro is the ideal scooter if you're on a budget, or you are a first time rider and, being a 4-stroke engine, the Metro is more environmentally friendly and more economical when it comes to fuel consumption when compared to other 2-stroke 50cc scooters.

But the Metro is not short on features with modern sports styling, front disc brake and a top box, security chain and lock plus an all weather protective cover including in the purchase price\*.
